

Audio Visual Rental

We have a wide variety of audiovisual equipment for your event's needs. All of our equipment is competitively priced and well-maintained. Call ahead to make equipment reservations. If you would like an AV Representative to be present to operate equipment during the event, additional fees apply. Please be prepared to test your material in advance of your event (1-week minimum advance) when utilizing NURFC equipment. All prices are based on a one-day rental charge unless otherwise noted. Any equipment needs not listed can be ordered from one of our partner vendors at a competitive price.
